

DAVID A. NUNLEY
CPCU, ARM, AIC
Pasadena, CA 91106

Risk Management professional with outstanding credentials in program development; loss exposure analysis; risk financing; and short long-term strategic planning.

Professional Experience:

Litigation Adjusters, Inc., Huntington Beach, California

Senior Adjuster

September 2019 - Present

Attend mediations, settlement conferences, monitor trials and audit claim files

City of Anaheim, Anaheim, California

Assistant Risk Manager and Risk Manager

April 1993-December 2013

December 2013-September 2019

Managed the self-insured liability and unemployment claims unit. Assisted the Risk Manager in all aspects of Risk Finance and Risk Administration

Responsible for management of all aspects of a fully integrated Risk Management Division. Duties include managing a budget in excess of \$25,000,000 that encompassed the self-administration of workers' compensation and general liability claims along with a full-service industrial safety and environmental health program. Fostered collaborative atmosphere with operating departments, including the City Attorney, Finance, Human Resources, Convention Sports & Entertainment, Fire and Rescue, Police, Public Works and Public Utilities.

Initiatives reduced total incurred workers' compensation reserves 30 percent. Innovative analysis of insurance programs led to adjustment of retention levels and broadened coverage to achieve long-term asset protection.

US Rentals Inc., Riverside, California
Claims and Loss Control Analyst and Assistant Risk
Manager

December 1988-December 1989

December 1991-March 1993

Investigated and adjusted self-insured claims and supervised litigation. Developed loss control programs and performed field inspections at operational branches. Managed the self-insured liability, workers' compensation, automobile, employee benefit, and property programs.

Responsible for appropriate placement of insurance in the North American and London insurance markets; claims and litigation management; and supervision of outsourced services. Led the effort to transition to self-insured status for workers' compensation in California and a non-subscriber to the Texas Workers' Compensation Act. These efforts resulted in first year savings of over 50% and 75% respectively.

Arnica Mutual Insurance Company
Glen Rock, New Jersey; Orange, California
Senior Claims Adjuster

June 1985-December 1988

Investigated and adjusted automobile and homeowner claims. Supervised independent adjusters, field and internal staff. Served as a member of catastrophe claims team.
