

Larry Lommel
Boise, Idaho

EMPLOYMENT HISTORY:

Litigation Adjusters, Inc. 2020 – Present

Attend settlement conferences, mediations, small claims hearings and monitor trials.

SAFECO/Liberty Insurance Companies. 1980 – 2019 (39.5 years)

Positions held: Liability Adjuster, Unit Manager, Analyst, Managing Analyst, Home Office Claims Analyst. As a Home Office Analyst I served as one of four analysts providing nationwide review and consultation on SAFECO's largest claims exposures. Over the past ten plus years I have handled unsupported excess commercial umbrella and excess claims nationwide, within in Liberty's Complex Home Office Group.

Responsibilities have included:

- Review and consultation for very large liability claims in all lines, litigated and non-litigated.
- Consultation on reserves, investigation and proper disposition of high-end claims.
- Extensive experience in commercial & professional liability claims.
- Operated with \$1.5 million in personal authority while working in SAFECO Home Claims. Beyond that, verbally advised SAFECO upper management of contemplated actions.
- Managed and provided consultation and review of sexual molestation/church liability exposures on a national basis.
- Provided review and direction on claims and lawsuits against the company.
- At SAFECO, my territory spanned three of five national/regional territories, involving 34 states. With Liberty, I was licensed and handled claims nationwide, to include attending mediations and trials.

- I have organized and presented quality assurance reviews for field claims offices.
- Presented training to advanced claims staff.
- Provided consultation on million dollar plus subrogation claims.
- Coordinated with SAFECO's reinsurance department on reinsurance matters as well as underwriting partners and teams.

Other responsibilities included:

- SAFECO National Structured Settlement Coordinator.
- Sponsored various national training modules ranging from claims handling and litigation management to structured settlements.
- Washington Insurance Council Speaker
- United Way Loaned Executive
- With Liberty Mutual I served as a Senior Technical Claims Specialist II, handling Commercial Auto and General Liability excess and coverage claims as well as provided Helmsman services.

Education: Bachelor's degree in secondary education from the University of Idaho. Variety of Insurance related courses and seminars over the last 39.5 years.

Computer Skills:

- Worked within several claims operating systems, to include paperless file system (windows based).
- Microsoft Word
- Microsoft Excel
- Outlook

Interests and Hobbies:

- Downhill skiing
- Golf
- Music
