

Gytis Gavelis
Atlanta, GA
Columbus, GA

Experience 2017-Present Litigation Adjusters, Inc Newnan, GA
Claims Consultant, Georgia, Alabama & Florida

Monitor trials and report daily. Attend mediations and settlement conferences and participate in the negotiations. Audit claim files.

2008-2016 XL Catlin / Catlin, Inc. Atlanta, GA
Claims Director, US

Assisted in the transition of Catlin Casualty and Energy claims operations into the post-merger claims organization. Prior to merger, full responsibility for claims units in multiple offices with a total staff of seventeen employees. Duties included budgeting, staffing, staff development along with administrative and technical oversight of Casualty and Energy claims (including Excess and Surplus Lines) for multiple US and London domiciled insurance entities.

2007-2008 Consultant Atlanta, GA
Claims Consultant

Retained, by Catlin, Inc., to review, evaluate and provide oversight and direction for a book of California construction liability claims. Responsibilities included loss and reserve assessment, coverage issue analysis, file handling oversight, and the implementation of recommendations which promoted effective resolution and cost containment efforts.

2003 – 2007 GLG Services, Inc. Rancho Murieta, CA

President / Owner

Operations included Rancho Murrieta Business Center and DEX360 Skateboard Shop. Accountable for all aspects of day-to-day management, marketing and financial operations for a multi-line business specializing in document reproduction, business support, promotional products and graphic design services. Increased revenues by 50% over a 3-year period. Established a second retail venture, a skateboard business, catering to local community youth.

1993-2003 National Re Corp. / General Re Corp. Stamford, CT /
Claims Executive / Second Vice President San Francisco, CA

Responsible for client management, timely evaluation, reserving, proper direction and successful resolution of high exposure claims.

Reviewed and evaluated various companies' claims and TPA operations. Assessed the caliber of those operations, the appropriateness of file reserving and the quality of investigation, negotiation and litigation management practices. Designed training programs and seminars specifically tailored to address particular client company needs.

Performed independent analysis of individual losses in conjunction with reviews of insurance and reinsurance contracts, addressed coverage issues and determined the reinsurer's contractual obligation to respond to the various claims submitted.

Cultivated positive and enduring client relationships. Served as the primary liaison with clients and management concerning claims and contract issues.

1992-1993 Colonial Indemnity Kingston, NY
Claims Manager / Assistant Vice President

Fully accountable for the oversight of the company's property and casualty claims operation, including staffing, budgeting, loss reserving, investigation and litigation management. Managed, trained, and directed a team of employees focusing on achieving the company's key business strategies through effective front line claims handling. Prepared and implemented the use of the company's first claims procedure manual

1987-1992 General Re Corporation Stamford, CT
